The highlight of our January events was the beautiful Bat Mitzvah of Shianne Sylvester. If you weren't able to be there to see her shine, you missed seeing an amazing young lady do a terrific job. Let's thank our very own Rabbi Kane, who taught her everything in a short period of time. Rabbi does the best job teaching all our students!

We will be starting off February with the Tu B'Shevat Family Seder Dinner and the dedication of the Rotstein Media Center. The following weekend, our CBT Men's Club will be hosting the World Wide Wrap. Here is an opportunity for EVERYONE to learn about the mitzvah of wrapping tefillin. Take a peek at the Men's Club page for details.

The CBT 25th Anniversary Dinner Dance is fast approaching on March 25, 2023 at Plantation Bay Clubhouse (time TBA). Be sure to mark your calendars, as you don't want to miss this one! We will be honoring the members who were part of the planning committee to form our wonderful congregation, and of course, Rabbi Kane, for without him, we wouldn't be here today!

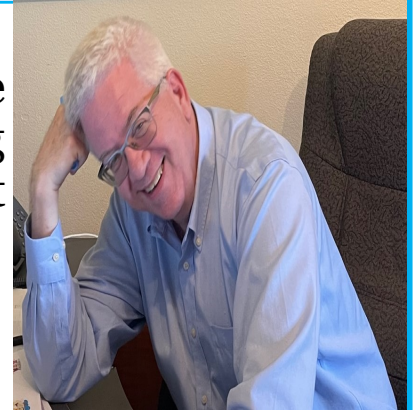

Your 2022-2023 Co-Presidents,  
Adrienne Cooperman and Robin Freedman

## A Message From Rabbi Kane

At the end of January, we marked the International Holocaust Day of Remembrance which memorializes the loss of Jews during World War II and other Genocides throughout the world in the modern era.

A Holocaust is a specific kind tragedy, full of heinous, murderous intention.

Although we live in a civilization in which antisemitism seems to be on the rise, still we must acknowledge that Jews who died in or lived through the Holocaust suffered mightily compared to most of us.

The murderous Holocaust threatened to exterminate Judaism. But Jews and Judaism are still here. Still, we must ask, for how long?

After WWII, in which the Jewish population of the world reduced to 11 million, another 3 million walked away from their faith, believing a caring God would never permit such horror. Today, there are 15.3 million Jews using a very generous method for who gets counted.

A sage once commented that just as Jews have kept the Sabbath, so too has the Sabbath kept the Jews. I might add, just as Jews neglect Judaism, Judaism will neglect the Jews.

Because we are Jews, we must attach ourselves to a practice that is authentically Jewish. Study, worship, acts of lovingkindness, preserving a person through memory, donating time or money to enhance what Jews can achieve together. . . all of these become more urgent with the aging and drifting of Jews.

Who shall we be if not Jews who care enough to spare a bit of life; so that Judaism, which survived a holocaust, is not neglected into nothingness.

## Shianne Jade Sylvester

by Toni Sylvester

**Shianne Jade Sylvester** was born in the town of Ormond Beach, FL on September 27, 2009. She was healthy and bright eyed, with beautiful brown eyes and a full head of black, wavy hair. At the age of 9 months, Shianne began to walk, and suddenly a bit after that, she began to talk. With that, she began developing and showing her greatness. She was a very happy baby and truly loved by all.

**As she grew**, achieving everything that a bright and mischievous child should, such as unrolling the toilet paper and running all through the house with it, playing hide and seek when Nana and Mommy were ready to go, and while Mommy panicked, Shianne would just pop out of the sand box, yelling, “Surprise!!!”

**When Shianne began** her formal education, she started at a regular school and really enjoyed being surrounded by others and learning. In the fourth grade, she began studying at Esformes Hebrew Academy, where she started to learn about her heritage and develop her interest in Judaism and Jewish culture. She has been learning in stride and achieving great things. Just last year she wrote about Princess Diana and won an achievement award for her project and presentation.

**Through the years**, Shianne has shown creativity, enjoying drawing, photography, videography, writing stories and scripts, and production and editing. Now she loves playing sports. She is a team player and very athletic. Her current favorite sports are flag football and volleyball. She is an avid reader and enjoys books that focus on real-world problems of people her age. She is getting amazing grades in all her classes, including her Judaic studies. I am truly blessed to be her mother and cannot wait to see the woman Shianne becomes.

# COME STUDY WITH RABBI KANE

**A Special 4-Week Adult Education Series**  
on Thursday February 16th & 23rd and March 2nd & 9th

**6:45 PM**

## **The Ways That Never Parted**

For centuries after the Destruction of the Temple (73CE), the Rabbis gathered in Yavneh (81CE) and formed Rabbinic Judaism. A Parting of the Ways occurred as the Christian Church proceeded on its own separate path at the same time. Or did it?

A fresh look reveals the opposite is true, as Jews and Christians mixed rituals and holidays with each other and pagan faiths for hundreds of years.

This class will explore the changing definition of religion, Judaism, the messiah, Jesus, Christianity, sin, heaven and hell in the centuries leading up to the 600's CE.

**7:45 PM**

## **Praying Jewishly**

Is a Jewish prayer any prayer a Jew prays? Are Jewish prayers only found in prayer books? What is a prayer? How has organized Judaism thought about how we send prayers to God and how the Divine hears them?

Explore Jewish ideas about our relationship with our Creator and how the Prayerbook reflects, or doesn't reflect, current Jewish ideas on the purpose of life.

# Religious School Report

By Helen Farb

We are so happy to have Morah Virginia back from her overseas travels. Thanks to Chanah Zimmermann for filling in.

We started the 2023 school term with a Kid and Tot Shabbat on January 6th with pizza bagels and macaroni and cheese.

Unfortunately, Rabbi Kane was ill, but Virginia did a fantastic job filling in, telling some wonderful Shabbat stories. On Sunday, January 8th, my class learned about Joseph's relationship with his brothers. The students made many beautiful coats for him. Ana Chuyen was a great classroom helper! Check out the students' creations the next time you are in the school building! Morah Virginia's class completed some unfinished projects, preparing to move on to some new ones for Purim and Passover.

Shianne Sylvester's Bat Mitzvah was wonderful! She breezed through her Torah reading and Haftorah so beautifully. We were so glad we could be there to share her special day. Thanks to Rabbi Kane for helping Shianne prepare so well for this happy event.

We ended the month of January by celebrating Tu B'Shevat. We talked about the different species of fruits and planted parsley seeds which we hope to eat at our Passover Seder.

Welcome to new students Michael and Daniel. We are glad to have you with us! Thanks to Ana Chuyen and Acacia Myara for their help in the classrooms!

There is no school on January 29th. Our next get together is Kid & Tot Shabbat on February 3rd and the Family Tu B'Shevat seder dinner on Sunday, February 5th at 5:00 PM where we will raise funds for our field trip this Spring. Please RSVP and come to the Tu B'Shevat seder dinner to support our CBT Religious School!

## MEN ARE LOSING FRIENDS AND STRUGGLING TO MAKE NEW ONES - MISSING HEALTH BENEFITS

I am sharing a link to a recent article in BBC Science Focus Magazine, by Ian Taylor:

<https://www.sciencefocus.com/science/how-loneliness-is-killing-men/>

The benefits of friendship are profound. Having a strong social circle is associated with:

- A longer life and fewer illnesses.
- Lowering your blood pressure and triggering positive chemicals in your brain.
- Less stress, more resiliency and more optimism.
- Maintaining a healthy weight and decreasing the likelihood of suffering cognitive decline.
- Some protection from cancer, heart disease and depression.

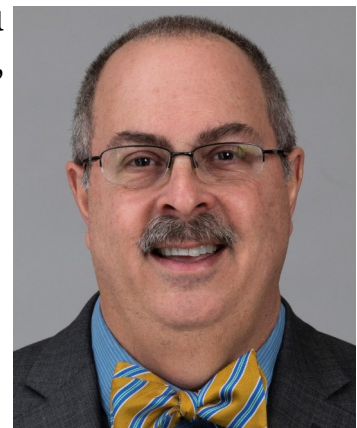

But there's one group - a big one - that is missing out on these benefits - **MEN**. Men are lonely. A 2019 YouGov poll (before the Pandemic) concluded that 20 percent of men have no close friends, twice as many as women. In 2021, the Survey Center on American Life found that since 1995, the number of American men reporting they had no close friends jumped from 3 to 15 percent. In the same research, the number of men saying they had at least six close friends was halved from 55 per cent to 27 per cent.

Why do men struggle to make or maintain friendships, and what can we do about it, not just as individuals but as a society? Loneliness is a health hazard - as dangerous as smoking or alcoholism, according to some research.

A possible solution? Consider getting involved in our Men's Club. Picture in your mind the men you will meet, the friendships you will build. We're committed to promoting camaraderie, friendship, community service and study.

Think about it.

## ON THE CBT SISTERHOOD HORIZON

**In the** not-too-distant future, the sanctuary kitchen will be going through a reorganization. After it is complete, if you are interested in attending the “kitchen orientation” we will be hosting to help all our Kitchen Angels learn where everything has been placed, please email your name to the CBT office, so we can be sure to notify you of dates and times. Anyone interested in **finally** finding out precisely which cutting board is which should participate!!!

**Speaking of** Kitchen Angels, THANK YOU to all who helped prepare the Tizmoret luncheon and the Sylvester Bat Mitzvah. Your beautiful work helped make those events extra special!! We encourage anyone who has a special occasion to celebrate to let the Sisterhood know if you would like to sponsor an Oneg or Kiddush, so you can celebrate along with your CBT Family!!

**We hope** to plan a Spring Meet-Up after the CBT 25th Anniversary Dinner on March 25th, and *your input is wanted*. Where should we meet? What time of day should we meet - afternoon or evening? Are there any topics or issues you feel the Sisterhood should be aware of or involved in? PLUS, there's been mention of a Mah Jongg tournament this year!! Make sure you share your ideas!!

**Finally**, if you attend live services, and are able/willing to transport congregants who no longer drive, please call the office, so we can put you in touch with members who have requested help and happen to live on convenient arteries like Nova Road and Clyde Morris Boulevard, as well as in Port Orange. What a wonderful Mitzvah you will perform!! We thank you in advance for helping to care for your CBT Family.

# THE 2022 SHABBAT HANUKKAH SERVICE & DINNER WAS WONDERFUL!

**TIZMORET CAME TO TOWN - BEAUTIFUL MUSIC AND GREAT FOOD!!**

## Office Happenings

Mother Nature gave us some chilly days in Central Florida, but the warmth which emanates from our Congregation is enough to keep us nice and toasty. Of course, this means you need to *experience* that warmth by being present, and boy, have we had some great times together lately, with more to come!

The lads and lasses from Queens College Hillel's Tizmoret a cappella group wowed us with their beautiful renditions of well-known pop and Hebrew songs. Their harmonies and pitch were spot on and a delight to the ear. The delicatessen lunch we enjoyed beforehand was too good (as my bathroom scale reminded me soon after). Thank you to Rabbi Kane

for arranging to have this group visit us and for providing us with such a special meal. Your generosity (and you) are very much appreciated!!

The Sylvester Bat Mitzvah was beautiful. Shianne, our Bat Mitzvah girl, was an absolute ***Mensch!*** Her Torah reading brought me to tears; one of the most beautiful readings I have ever heard. Congratulations to Shianne and Toni and the rest of the family. I can't wait for some of our other students' turns - and apparently, according to Helen and Rabbi Kane, we have several coming up through the ranks.

Come to the Tu B'Shevat Seder Dinner. Come to Worldwide Wrap! Come to Rabbi Kane's Adult Ed Class! Come to the 25th Anniversary Dinner Dance! Come to Kid & Tot Shabbat! Come to Shabbat Services! Take your pick - any or all - just come!

See you soon . . .
